THE JOURNEY

I have my sights set on representing the United States in international level dressage competitions. Short term, the goal is to compete at CDI's in California, and qualify for National Championships. Long term the dream is to compete in future Pan-Am and Olympic Games.

WHY

Owners get a front row seat on the ride of a lifetime - the development of a horse and rider at the start of their FEI career, making their way into the exciting international scene. It truly takes a village, and with your support, we can make the most of the beautiful and thrilling journey of dressage.

HOW

I'd like to create a **syndicate** of like-minded dressage enthusiasts to partner in owning a **share** of a horse with potential to become a world class international star. Buy a share of the purchase cost of horse then sit back and enjoy the crowd cheering for your team - your rider and your horse!

THE Details

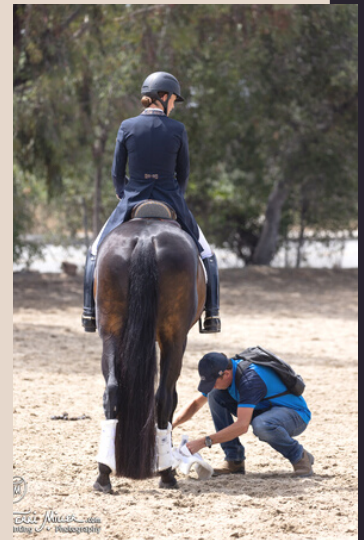

THE RIDER - ASHLEY DONADT

- Ranked 14th in the country for the 2022 USEF Intermediare 1 Dressage National Championships aboard "Liberty", owned by Sloan and Joseph Purcell
- 2022 Grand Champion at Intermediare 1 and Reserve Champion at Prix St Georges aboard Liberty, for the CA Dressage Society (San Diego Chapter)
- USDF Bronze and Silver Medalist with Distinction
- 2022 Earned the 6th highest Intermediare 1 Freestyle Score in the Country - 74.375 with Liberty
- These achievements were earned with Liberty in just their first season together as a new horse and rider partnership

THE SYNDICATE - HOW IT WORKS

- Syndication spreads the costs of ownership across several participants, making it easier and more affordable to be a part of top international sport.
- The horse is owned by a syndicate. Owners buy a share of the syndicate. My goal with this syndicate is to get the backing to cover the purchase price of the horse. Then as the rider/manager of the horse, my share and contribution will be to cover the monthly expenses on the horse myself going forward. Once you're in, sit back and leave the rest to me!

"A great horse will change your life.
The truly special ones define it."

questions...

WHAT'S IN IT FOR A SYNDICATE MEMBER?

- The joy of the journey. Being part of a team with a common goal, and sense of community. Being able to participate in international dressage without having to go all in yourself. The journey will be an adventure of a lifetime, fun, and fulfilling.
- Enjoy behind the scenes access at larger shows, VIP amenities, a monthly newsletter with plenty of photo and video updates.
- If the syndicate sells the horse, funds are distributed back to the owners.

WHY ASHLEY DONADT?

- I started my career as a professional dressage rider from scratch with very humble beginnings. It has been a lifelong goal of mine to represent the US in international dressage competitions. This is just the beginning of the journey, and I believe with the right team, it can happen. It would be an honor to ride for you, and represent our team emerging as a world class partnership highlighting the beauty and harmony possible in the sport of dressage.
- I have already established a proven support system of excellent horse care and consistent coaching with my coach/mentor over the last 3 years, Guenter Siedel (3x Olympic Games Medalist and 2x World Equestrian Games Medalist).

HEAR WHAT OTHERS HAVE TO SAY

"I have known and followed Ashley for over 10 years and been her coach and mentor over the past 3 years. Her level of work ethic and professionalism is impeccable in addition to being a very talented rider and coach. She has consistently proven to be a reliable, trustworthy and kind individual. Her reputation as a trainer and business owner is sure to be an asset to anyone who partners with her."

GUENTER SEIDEL, 3X OLYMPIC MEDALIST

My horses have been under the care and training of Ashley Donadt Dressage for the past year. I have worked with many trainers throughout the decades, from my reining/AQHA days as a teen, to my current passion for dressage. In all this time I have never worked with a trainer whose diligence or integrity surpass Ashley's. It's rare in the horse community to find a training barn where the horse care and business standards are equally exceptional, but this is absolutely the case for Donadt Dressage. Anyone considering a business relationship with Ashley will be able to count on her to honor her commitments with the kind of enthusiasm that results in reliable success.
